Promoting a culture of gratitude and recognizing the people who have made history, as well as important events that will be remembered, is a valuable tradition. In the past, Rwanda placed great importance on honoring achievements and rewarding individuals who performed outstanding actions.

These remarkable figures, well known in Rwanda's history, have contributed to the country's growth, strength, and development, helping it gain recognition both nationally and internationally.

In 2025, many Rwandans distinguished themselves as champions through their achievements. They will be remembered and respected for their contributions. As a nation, Rwanda has also continued to outstand as a model in different areas of administration.

Every year, the “Umurage Wacu” Group publishes a special edition of “*Igicumbi Magazine*”, which highlights these important events and outstanding individuals. Through this initiative, their stories are documented, promoted, and preserved, ensuring that their recognition continues both in Rwanda and beyond.

Promouvoir la gratitude et reconnaître celles et ceux qui ont marqué l'histoire, ainsi que les événements importants qui resteront gravés dans les mémoires, est une valeur essentielle. Le Rwanda, depuis toujours, accorde une grande importance à la reconnaissance du mérite, en honorant et en récompensant les personnes qui accomplissent des actions remarquables au service de la nation.

Ces figures emblématiques de l'histoire rwandaise ont contribué à la croissance du pays, à son renforcement et à son développement, lui permettant de rayonner au-delà de ses frontières.

En 2025, plusieurs Rwandais se sont distingués par leurs exploits exceptionnels. Leurs actions, leurs talents et leur engagement resteront à jamais dans les mémoires collectives, suscitant respect et admiration. Par ailleurs, le Rwanda, à travers son administration, continue de s'illustrer comme un modèle à différents niveaux.

Chaque année, l'“Umurage” Wacu Group consacre une édition spéciale du **magazine “Igicumbi”**, mettant en lumière ces événements marquants et ces personnalités inspirantes. Cette initiative vise à promouvoir leur contribution et à assurer la pérennité de leur reconnaissance, tant au Rwanda qu'à l'international.
